FEE POLICY

Fees are requested for all children attending Netley Kindergarten to assist with materials and services expenses. Netley Kindergarten is administered by the South Australian Government Department of Education and Child Development (DECD). A yearly budget is provided and staff salaries are paid by DECD. However, approximately 80% of all expenses are carried by fees and fundraising. Therefore, we rely heavily on parental financial support to pay for cleaning, maintenance, telephone, power, water, security, consumables such as paint and paper, etc., as well as provide new equipment and improvements.

Additional Information and Fee Schedule:

1. Education fees are GST free.
2. Fees are charged each term by Netley Kindergarten and are \$150.
3. In addition to the term fees a Quality Improvement Fee of \$15 per term will be issued per family. This is in place of termly fundraising activities, with only 2 possible major fundraisers being held each year.
4. Fees are determined by the Governing Council and are comparable to other centres.
5. Invoices will be emailed to parents by the end of Week 2 of each term.
6. Payment of fees is required by the end of Week 5 of each term.
7. Payment options include direct deposit (use student's surname to identify payment) to BSB: 105-124 and Account Number: 456190940. Or payment by cash with the invoice into the fees cupboard.
8. Receipts will be issued for all fee payments and placed in the parent pockets.
9. Reminder notices will be issued for all unpaid fees in Week 6 of each term.
10. Families are invited to discuss any financial difficulty with the Director, with negotiated payment plans/fee reductions being at the discretion of the Director (recognising that he/she will be privy to confidential information).

Endorsed by Netley Kindergarten Governing Council, January 2014
